Dear Pastor friends,

Please let me introduce you to Daniel Sanders. Daniel came into the Lighthouse Home when he was nine years old, along with his three sisters and one brother. They had been abandoned by their parents, in fact their parents moved to another country and did not tell the children they were leaving. Before long the children were in the streets begging for food. Soon the neighbors realized what was happening and called the police. They were picked up by the police and placed in a child care facility until a permanent home could be found for the children. Soon they called the Lighthouse and we took in the five children.

Daniel graduated from high school and now this year he graduated from Bible College in Costa Rica. God has called Daniel to be a full-time evangelist in Central America – as far as I know, Daniel will be the **first** full-time evangelist in all of Central America. He has already held revival meetings and youth rallies in several of the Central American countries. God has blessed the meetings with souls being saved and the Churches being strengthened and more on fire for the Lord. Most special meetings are held by salaried pastors and a love offering, if any, is very meager.

I would be most grateful if you would allow Daniel to present his ministry in your Church. He needs to raise monthly support, so he can do the work God has called him to do. If you have room in your monthly mission's budget, I would ask you to prayerfully consider supporting Daniel. He is a God-called, hardworking young man. He will base out of the Lighthouse Home in Costa Rica to help keep his expenses to a minimum. You may reach Daniel at: 352-684-1679 or email him at [casaministries17@gmail.com](mailto:casaministries17@gmail.com).

May God richly bless you as you continue to serve Him.

The Night Cometh,

Larry and Paula Neff
